News letter-2020

*Toughest journey during Covid -19
 pandemic days*

God does not give the hardest battles to his toughest soldiers. He creates the toughest soldiers through life's hardest battles. Let us walk as corona warriors with the lamp of confidence and service in dark roads to show way to the patients.....

Every nurse ought to be careful to wash her hands very frequently during the day. If her face, too, so much the better.

Florence nightingale, 1860.
